Kurdistan Regional Government	02/03/2022	NA	Social Media (Facebook)	Reshare: The Kurdistan Regional Government has approved fast tracking people with autism at both of its airports " Erbil International Airport (EIA) and Sulaimaniyah International Airport (ISU). This is an incredible achievement for families of individuals with autism, and a progressive move towards making Kurdistan more inclusive to those with disabilities. I'm beyond ecstatic with this news, and optimistic that our pending bill that criminalises discrimination against individuals with autism at both public and private schools will receive cross-party support. We will continue our efforts with Hope Autism Society to build a Kurdistan that is inclusive and welcoming to those with disabilities. https://www.facebook.com/RuwaydaMustafah/posts/pfbid022bUMAYfBTAhRs4Kjd2wQKgiutYyV8zKhE56XKJdvBXGsmhGnKaaWbwSSd6hCj416l
